MANY DEAD AND MISSING

GREAT WALLS OF FIRE SWEEP-
ING SMALL SETTLEMENTS IN
MONTANA AND IDAHO

A SERIOUS SITUATION

Relief Trains Running Into Missoula,
Where Hundreds Are Being Cared
for—Millions Lost in Property

Missoula, Mont., Aug. 21.—Mercilessly and relentlessly the forest fires in Western Montana and Idaho are sweeping over a vast area, driving hundreds of fugitives before them, destroying small settlements and wiping out of existence millions of dollars worth of property.

The situation tonight is more serious than it was in the early morning, except as to Wallace, Idaho, where it is believed that nearly half of the city will be saved. Communication with Wallace to the west has been possible at intervals today, but eastward it is entirely cut off. It is known that the entire east half of the town above Seventh street has been burned.

West of that a hard fight is being made, and with an improvement in the water supply there is more chance that the flames may be driven back.

Message from Wallace
For a few minutes this afternoon the Daily Missoulian's reporter at Wallace used a wire. He summarized the situation as follows.

Thirteen lives lost, property loss \$1,000,000; fire still threatening.

Elsewhere in the fire zone the situation has gone from bad to worse today. The most serious incident is reported late this afternoon from the St. Coe country, where 180 men engaged in the forestry service are missing and it is feared they have been burned to death.

Men Take to Water
When the fire approached the camp where there were 200 men, two of the fighters took a horse and, riding the animal to death, rode from the camp and ordered a rescue party, which penetrated the fire to Bird Creek.

Eighteen of the men were found in the water, where they had gone for safety, and they were unharmed. From the remaining 180 men no word has been received.

A relief train, well equipped with pack animals, has been ordered, carrying provisions and hospital supplies, and will endeavor to get through the fire.

About a thousand refugees have been brought into Missoula today. There is much distress among them, but their wants are being supplied by Missoula people and they have been given temporary homes.

Hospital Patients Removed
The first of the trains came in over the Northern Pacific's Couer d'Alene branch and brought the patients who had been in the Sisters' Hospital at Wallace and as many refugees as could find places on the small train. There were 250 on this train and a second train at noon brought as many more.

These people came from the small towns along the line between here and Wallace. Many of them had been the first intimations that the fire was near, as there had been no sign of it when the people went to bed Saturday night. In most instances these people escaped only scantily clad.

Homes Opened Freely
Local hospitals are caring for the sick. Missoula homes have been opened freely and the homeless are comfortable for the present.

Another train with 500 people on board is expected over the Chicago, Milwaukee and Puget Sound Railway.

A dense pall of smoke hangs all over Eastern Montana. In Missoula it was as dark as midnight at 5 o'clock the dense smoke being given a lurid hue which had all the semblance of the glow of fire, which was probably due to the sun.

Taft Entirely Destroyed
The town of Taft, near the Idaho line, was entirely destroyed by fire before daylight.

Saltee, just below Taft, has been abandoned by its inhabitants and is known to be surrounded by fire.

Deborgia is seriously threatened and one man is missing.

At St. Regis the fire has crossed the river and threatens outlying buildings, though no fears are entertained for the town.

Haughan is reported to be deserted. The last word from there is that the fire is dangerously near and the telephone operator was preparing to flee.

The area covered is roughly estimated at a hundred miles square, most of it in the mountains and sparsely settled. It is difficult to obtain information from any of the points, and it is impossible to reach some of the isolated places.

There is a probability that there has been serious loss of life, as there are camping parties and lumbermen all through the mountains, and the fire may have come upon them while they slept last night or they may have awakened this morning to find themselves cut off from escape.

Notice
Members of the Character Builders are requested to meet at the Methodist church tomorrow afternoon at 4 o'clock.

MOVEMENT TO BOOM GORE

PLAN TO HAVE HIM TO LEAD THE
DEMOCRATS IN 1912

IS SUITED FOR PRESIDENCY

Will Known in East.—Well Situated
Geographically—A Policy of
Expediency

Washington, D. C., Aug. 21.—A quiet movement is taking form, of which no word has yet appeared in print, but which may produce some of the most startling and dramatic consequences in the political history of the United States. It contemplates nothing more nor less than the nomination of Gore, the blind senator from Oklahoma, for the presidency.

As yet the "movement" for Gore has taken no outward form. It is doubtful even if he knows about it himself. It can be more accurately described as a prediction or consensus of opinion on the part of certain prophets who claim to see in Mr. Gore the man of destiny who alone embodies the elements that can carry the democracy in the next presidential election through to success.

Gore's position as a possible candidate has been surveyed in all its possible relations. And the more it is surveyed the better it looks.

This has been especially true during the past two weeks, since his charges about the McMurray contracts have given him more than ever national prominence.

And hence, amongst those prophets who are always trying to peer into or forecast the future, the time has now arrived when they want to go on record so that in the event of success they may have something to prove that they "discovered Gore." They want to avoid the kind of contest that amused the country as to who "discovered Cleveland."

Policy Expediency
Sitting in a hotel lobby the other day one of these prophets had been solemnly pointing out the impressive figure to which Senator Gore has already attained when a reporter plumped the plain question to him: "Wherein lies the real strength of Gore?"

"Because he is blind," was the strutting response.
Blind! What's that got to do with it?

My son, replied the politician, the democracy will nominate a man because of expediency, because he can win. We want the man who can get the votes.

Now I don't mean to say, continued the prophet, that because a man is blind he should be elected president of the United States. But I do mean to say that everything else being equal among certain number of candidates the one who is blind has an added advantage the others have not go which practical politicians would be foolish to ignore.

The informant then went on to assert that in all the essential qualifications of a candidate Gore was the equal of both Folk and Harmon.

Gore, said the gentleman, has today a bigger reputation in the senate, a higher standing there than any man of his age ever attained. He is the youngest senator and yet one of the most distinguished.

Is Favorably Regarded
"He is most favorably regarded in the east, where he is even better known in his newer and larger aspects than he is in Oklahoma. The one idea about Gore that is spread all over the country is that he is an honest man with unusual courage, intelligence and energy.

"No one doubts that as a progressive reformer and conscientious agitator for better conditions, Senator Gore is the equal of either Folk of Missouri or Harmon of Ohio. These two distinguished men have not a monopoly of these qualities. There are others."

"How about his geographical qualifications?"

"Fine," was the reply. "Oklahoma is a doubtful state, as are Missouri and Ohio. The republicans claim the state."

"Then it is a southern state. Gore is a fine type of the modern southerner, of whom Folk is also an example. And the time has about arrived when, for the first time since the war, a southern man should have the nomination, not for sentiment, but for expediency. The solid south is breaking up under republican manipulation and Taft has great hopes of this campaign."

CHARGE HAS NO BASE

VICE PRES. SHERMAN AND SEN-
ATOR CURTIS ARE EXON-
ERATED

Committee Also Commends Senator
Thos. P. Gore in a State-
ment Issued.

Sulphur, Okla., Aug. 29.—The select committee appointed by the house of representatives to investigate Indian land affairs and the so-called McMurray contracts, and which also has been investigating the Gore bribery charges, tonight issued the following statement:

"The committee have heard and carefully considered all of the testimony submitted and is unanimous in the opinion that there is and was no warrant for any person to use the names of Vice President Sherman and Senator Charles Curtis in connection with any improper relation with any Indian contract whatever."

This is the opinion of the committee after hearing scores of witnesses who appeared following the testimony of Senator T. P. Gore. Senator Gore declared he had been approached by Jake L. Hamon and that Hamon, acting in the interest of J. F. McMurray, had offered him (Senator Gore) \$20,000 or \$50,000 as a bribe to promote in congress the contracts by which McMurray was to receive 10 per cent attorney's fees on the sale of \$30,000,000 worth of Indian lands.

The senator testifies Hamon had mentioned Senator Curtis and Vice President Sherman as being "interested" in the deal, Mr. Sherman being named as the man "higher up." Hamon on the stand denied he had ever said anything about the contracts to Gore.

The committee's report was signed by Representatives Charles H. Burke of South Dakota, C. B. Miller of Minnesota, E. W. Saunders of Virginia, J. H. Stephens of Texas and Phillip P. Campbell of Kansas.

Gore Commended
In giving its decision today the committee announced it had received from Senator Gore a statement relative to Vice President Sherman and Senator Curtis and that the committee "commended" Senator Gore's statement.

Probe to Continue
Senator Gore, who has attended all the committee's sessions, left today for Paxton, Ill., to fill a lecture engagement. Representative E. W. Saunders, of Virginia, a member of the committee, left for his home.

The committee announced, however, that the investigation had not been concluded. McMurray will continue his testimony on Monday. Much of McMurray's testimony today related to Richard C. Adams, an attorney of Washington. After President Taft had permitted to be made public a letter in which he expressed a belief that the Indian enrollment should not be reopened and only the Indians now on the rolls should be allowed to participate in the division of the lands, McMurray had many of the Indians send telegrams to Adams, commending the president's attitude and incidentally recommending the McMurray contracts. These telegrams were afterwards turned over to the attorney-general by Former Senator John M. Thurston, McMurray's counsel, this being the "unsolicited" sentiment of the Indians. The witness said Mr. Thurston probably was mistaken when he said the telegrams were "unsolicited." Mr. McMurray also stated it to be his belief that President Taft and the attorney-general were not aware that Adams was in McMurray's employ. It was also brought out that when McMurray received his \$750,000 fee in the citizenship cases a claim for \$300,000 of the fee was made by Mr. A. Low, an attorney of Topeka, Kan., and W. E. Evans, an attorney of St. Louis.

McMurray said he had talked to both of these men concerning his case, but he had not agreed to give them part of his fee, and they received no part. McMurray denied he ever had made any loans to Representative C. E. Creager of Oklahoma, but admitted that Creager had asked for a loan.

Gore Satisfied.
Before leaving, Senator Gore said: "The investigation is nearing completion. I am entirely satisfied with the result. It will eventuate in infinite good to the people of Oklahoma, both to the white man and to the red man. The affairs of the Indian will be wound up and without charge or cost to him. Whatever sacrifice may have been entailed on my part, I submit to it cheerfully. A public official must discharge his duties at any cost and at any sacrifice. I am content. Whatever abuse and calumny may have been poured out on me is but one of those things which must be expected by a public official in the pursuit of his duty."

ney of Topeka, Kan., and W. E. Evans, an attorney of St. Louis.

TEDDY SAYS IT IS A LIE

SAYS THAT HE NEVER DEMANDED
THAT VICE PRES. SHERMAN
BE REPUDIATED

Oyster Bay, Aug. 21.—Ex-President
Theodore Roosevelt yesterday brand-
ed as an unwarranted lie from the
beginning to the end of the report
that he had sent an ultimatum to
President Taft demanding that Vice
President Sherman, who was chosen
as temporary chairman of the New
York State Convention, be repudiated.
Col. Roosevelt plainly showed his an-
ger as he said:

"I have sent no ultimatum to Pres-
ident Taft. The report is a tissue of
lies from beginning to end and in
fact, has no warrant."

Mr. and Mrs. Nichols Longworth
are expected here tomorrow. The vis-
it of the ex-presidents son-in-law is
considered significant at this time in
view of the statement he issued at
Beverly that he would oppose Joe
Cannon for re-election as speaker.

EPWORTH ASSEMBLY UNUSUALLY SUCCESSFUL

REV. W. M. WILSON OF ADA DI-
RECTING THE PROCEEDINGS
OF THE MEETING

Anadarko, Aug. 21.—The Oklahoma
State Epworth League assembly of
the M. E. church, south, which has
been in session here since last Tues-
day night continues with great suc-
cess. Today was the regular anni-
versary day. A great Sunday school
rally of all the churches of the city
was held at 9:30, under the able su-
perintendency of the Rev. W. J.
Moore, chairman of the state Sunday
school board.

Delegates have been arriving every
day since the opening, and the special
institute work being done under the
direction of Dr. E. H. Rawlings, Rev.
J. Marvin Culbreth and Miss Mary
DeBardeleben, all of Nashville, Tenn.,
grows in interest daily, and delegates
that had at first come to spend only
a few days have pledged themselves
to remain throughout the session,
which closes Wednesday, August 24.

The following new members have
been elected on the board of trust-
ees, to-wit: Rev. H. B. Vaughn, of
Spiro, and the Rev. J. R. Abernathy,
of Guthrie. At the regular annual
meeting of the board it was decided
to defer the selection of a permanent
location for the annual encampments,
until the annual conference to be
held in Ardmore commencing Nov.
9, at which time a permanent loca-
tion will be definitely agreed upon.
Attractive propositions have been sub-
mitted by Lawton and Medicine Park,
Anadarko, and Sulphur.

In the absence of Eugene P. Guthrie,
state president, who was called to
Oklahoma City Saturday on ac-
count of the illness of his wife, Rev.
W. M. Wilson of Ada, president of
the conference board is directing the
proceedings of the assembly.

Notice to the Public.

Owner.

DR. KING'S NEW DISCOVERY
Will Surely Stop That Cough.

NEW HIGHWAY; OCEAN TO OCEAN

WESTERN PACIFIC COMPLETED
TO ITS TERMINAL AT
OAKLAND

California Entering Upon a Period of
Industrial and Commercial
Expansion

Oakland, Cal., Aug. 22.—The com-
pletion of the Western Pacific Rail-
way from Salt Lake City to its Pa-
cific Coast terminal at Oakland, Cal.,
and the inauguration of passenger
service today, is an event of national
importance, as affecting the transpor-
tation interests of the country. This
piece of road, 923 miles in length, is
practically an extension of the Gould
system westward, and means that a
new factor in the distribution of
transcontinental traffic. The Western
Pacific connects with the Denver and
Rio Grande railroad at Salt Lake,
so that the Gould lines are now con-
tinuous from Pittsburg and Detroit
to the Pacific Coast, and with these
connections are able to supply
through freight and passenger ser-
vice from the Atlantic, the Gulf and
the Great Lakes, to the terminal city
of Oakland, located on the continen-
tal side of the Bay of San Francis-
co, from which ocean lines will take
traffic to all points on the Pacific
Coast and to the Orient.

It was the ambition of Gould to
control an ocean-to-ocean railroad
line under one ownership and man-
agement, and while complications
growing out of the late financial crisis
caused some compromises, and de-
ferred the realization of that pro-
ject, the completion of the Western
Pacific is another step in the carry-
ing out of this great plan. It means
that another vast system of railroad
is reaching out for the profitable
Pacific Coast business, and is in readi-
ness to participate in the tremen-
dous development of Pacific commerce
which is certain to come with the
completion of the Panama canal, and
the increase of population of the
Western Empire.

To Seek Land Due Oklahoma

Guthrie, Okla., Aug. 20.—C. H. Hyde
of Alva has been appointed by the
State Board of Agriculture as the
agent of the board and the Attorney
General's office to make a list of the
public lands that may be filed upon
by the State at various Government
land offices in Oklahoma. Hyde is
secretary of the school land lessees'
organization and is the man whom, it
is claimed, first discovered that the
State of Oklahoma may be entitled to
210,000 acres of public lands for the
endowment of an agricultural school
under an old Congressional act to
States that might be admitted after
1866.

Mr. Hyde has been furnished by
Assistant Attorney General Spillman
with a letter of authority from the
Commissioner of the Land office at
Washington to examine the records of
the various land offices as an agent
of the State and has also been fur-
nished with a certificate from Gov-
ernor Haskell that he is representing
the State. When Mr. Hyde submits
his report, the Attorney General, in
connection with the Board of Agri-
culture, will determine upon what
course the land claimed by the State
or land script in lieu thereof.

Railroaders Sign Petition

Guthrie, Okla., Aug. 21.—More than
2,000 railroad employees in the State
of Oklahoma have signed a petition
addressed to the Interstate Commerce
Commission asking that the railroads
be permitted to make a slight in-
crease in their interstate freight
rates in order that they may not be
compelled to reduce the wages of
their employees. It is expected that
30,000 railroad employees in Oklahoma
alone will sign the petition. During
two days recently 350 employees of
the Rock Island have signed the
petition. The railroads claim that un-
less interstate rates can be increased
the wages of employees will be cut.
The wage scale of railroad employees
has been increased from 12 to 18 per
cent since there has been any increas
in freight rates, and this, in connec-
tion with the increased cost of ma-
terials, increased taxes and other
essential elements entering into the
cost of operating a railroad, makes
a raise of rates necessary in present
wage scales are to be maintained,
according to some of the leading rail-
road men.

MADRIZ GOVERNMENT TROOPS DEFEATED

President of Nicaragua Deserts Cap-
ital and End of Revolution is Now
In Sight—Jose Estrada to Head
Government.

New Orleans, Aug. 21.—That the
revolution is finally nearing an end,
is indicated in reports received here
late yesterday and last night by cable
from Managua and other Central
American points.

For the first time since the revolu-
tion started advices received by
both sides, as well as by disinterest-
ed parties, are practically the same.
They are that the Madriz government
troops have met with serious revers-
es almost at the very gate of Mana-
gua, the capital city, that Grenada
has been captured by General Luis
Mena, with an insurgent army; that
the inhabitants of the interior are
flocking to the standards of the rev-
olutionists and that Madriz has been
succeeded in the presidency by Jose
Estrada, a brother of Juan Estrada,
head of the provisional government
set up by the insurgents.

Whether Jose Estrada will be per-
mitted to retain the presidency if
the revolutionists succeed in taking
Managua, appears to be a matter of
doubt. General Mena is now said to
be marching on Managua and Madriz
is reported to have fled. One of the
reports made to the sympathizers of
Madriz, however, is that Madriz has
left Managua only to take personal
command of his army, but it is ac-
knowledgeed that Jose Estrada is serv-
ing as president.

In details only, these various cable
reports differ. Some of those received
by the sympathizers of Madriz say
that the capture of Grenada was ac-
companied by much looting and un-
necessary bloodshed, insults to wom-
en and assaults upon non-combatants.
These reports are denied by sympa-
thizers of the insurgents.

Will Market 12,000 Bales

Hobart, Okla., Aug. 21.—Hobart will
market at least 12,000 bales of cotton
this season. The present indications
favor a 15c market. The strongest
cotton brokers in this and foreign
countries now have their offices es-
tablished at Hobart. Our bank de-
posits will now go high, and the oil
mill will work more men than heret-
ofore. The compress, rebuilding is
almost ready for business, and by
September 15 the white product will
be moving.

Chinamen to Lose Their Queues

Pekin, Aug. 20.—The greatest
wholesale hair-cut in the history of
the world is about to be ordered by
the grand council of China.
If tests of public sentiment now
being made are favorable 400,000,000
subjects of the Chinese emperor will
be ordered simultaneously to cut off
the 400,000,000 queues and bring to
an end a practice that has obtained
in the celestial kingdom for centuries.

When the digestion is all right, the
action of the bowels regular, there is
a natural craving and relish for food.
When this is lacking you may know
that you need a dose of Chamberlain's
Stomach and Liver Tablets. They
strengthen the digestive organs, im-
prove the appetite and regulate the
bowels. Sold by all dealers.

LIVE STOCK DIVISION OF STATE FAIR IS BEST YET

New \$40,000 Pavilion will be Home of Big Animal Exhibit—
Horse Show is New Feature—\$18,000 in Premiums.

The best crop conditions in years
and the advent of the great packing
industry in Oklahoma assures a
healthy increase in all live stock de-
partments at the State Fair, which will
be held September 27 to October 9.
This, coupled with better facilities in
the way of buildings for handling the
live stock exhibits, places a high pre-
mium on the prospects for an excellent
showing to be made by the devotees of
animal husbandry.

By far the most important building
improvement in this department of
the great State Fair is the new \$40,000
Live Stock Pavilion, which will be com-
plete in every detail by the opening
day. In this building will take

feature of the cattle show of special
interest and educational value is fur-
nished by the parades of the different
breeds in the pavilion at the evening
shows.

Horses

The horse department will be su-
perintended by Mr. W. L. English, of Ok-
lahoma City, a man well qualified for
the position. The classes will be
judged by Prof. John A. Craig, well-
known among horsemen, and whose
fine ability is recognized throughout
the United States.

Sheep

The management confidently ex-
pects an increase in the number of
sheep entries. A number of prominent

NEW LIVE STOCK PAVILION
170x250 Feet—Seating 3,600—Arena 80x180 Feet

place the live stock judging, in full
view of spectators, for cattle and
horses. Owing to the substantial char-
acter of the building, assurance is
given of an uninterrupted exhibition
regardless of weather conditions. At
night, under the brilliant illumination
of hundreds of electric lights, and with
the accompaniment of good music and
vaudeville acts, will occur the inter-
esting exhibitions of the First Annual
Horse Show, more fully described by
special article.

Premiums

The association offers \$16,194 in reg-
ular premiums in the live stock depar-
tment. Breeders' associations, includ-
ing both state and national, offer \$1,847
in special cash premiums.

Cattle

Mr. Sydney L. Brock, Oklahoma mer-
chant and cattle breeder of national
reputation, is superintendent of this
department. An increase of interest
and number of entries is expected
largely on account of the recent assem-
bling in Oklahoma City of the packers
and live stock commission firms. A

national and state breeders have sig-
nified their intention to participate.

Swine

Seven barns replacing one used heret-
ofore will furnish shelter for the
swine department this year. All of
these barns have been supplied with
places for the storage of feed, with
concrete floors and all thoroughly
cleaned and disinfected. City water
and electric lights are added good fea-
tures. Mr. R. Kleiner, of Wheatland,
assisted by Mr. A. E. Lovett, will have
charge of the sheep and swine depart-
ments.

Meetings

The annual meeting of the Oklahoma
Swine Breeders' Association will be
held in the auditorium, State Fair
Grounds, Monday evening, October 3.

The Oklahoma Improved Stock
Breeders' Association will meet in the
auditorium, State Fair Grounds, on
Wednesday, October 5.

Premium List

The premium list of the 1910 Fair
to be held September 27 to October 9,
can be had by addressing Secretary I.
S. Mahan at Oklahoma City.

STATE FAIR IS PREPARING GREATEST EXHIBITION IN YEARS

\$22,915 Offered in Cash Premiums—Agricultural, Live
Stock and Industrial Departments Flourishing.

Never before was the management
of the Oklahoma State Fair in position
to give state fair visitors more for
their money. The fourth annual ex-
hibition which will be held September 27
to October 9, will show improvements
valued at \$75,000. Practically all of
this money is being put into new build-
ings this summer. In the list of new
ones the most important is the great
live stock pavilion, costing \$40,000,
seating 3,600 people. With the advent
of two \$3,000,000 packing plants in
Oklahoma City, the live stock depart-
ments of the state fair are expected
this year to start on an unprecedented
growth, reflecting credit upon the state
and city as a coming live stock center
of the southwest.

Other new buildings under construc-
tion to be complete by the opening of
the fair are: Dairy building, mineral
and resource building, woman's and
children's building. To this might be
added mention of a 100-foot extension
to the agricultural building.

Premiums

Liberal premiums aggregating \$22,
915 will bring together the greatest
amount of high quality exhibits of any
previous fair. The premiums are di-
vided as follows:

Beef cattle	\$4,630
Dairy cattle	1,350
Heavy horses	2,526
Light horses	2,224
Sheep	1,186
Swine	2,204
Live stock judging contest	100
Poultry	2074
Farm products	748
Boys' corn growing contest	1,095
County exhibits	1,000
Horticulture	312
Floriculture	451
Apiary	310
Dairy	535
Fine Arts	354
Educational	412
Culinary	524
Textile	878

tary, Oklahoma City, Okla.
Agriculture
Commenting upon the greatest and
most general divisions of the state
fair, that is, the agricultural, indus-
trial and live stock divisions, it may be
said that never were the crop condi-
tions so favorable to the best display
of agricultural exhibits in the history
of the fair. There will be more and
better county collective exhibits than
ever before. The management is ex-
pecting the largest and best fruit ex-
hibit of any previous year.

Implement

The implement field has been in-
creased from ten to fifteen acres to
accommodate the constantly in-
creasing exhibits of implements and
farm machinery. The number and
class of exhibitors will be increased
100 per cent over last year. Here will
be found the latest improvements and
devices, which alone will be worth
many times the cost of attending the
state fair. The entire implement field
has been set to Bermuda grass, which
will make a sod before the opening of
the fair. Gravel walks will give firm
footing wherever needed.

The facilities for display will be
much improved and exhibitors will be
pleased with better facilities for load-
ing and unloading heavy machinery.
The field has been supplied recently
with city water.
The expense incurred to exhibitors
in making these high class exhibits
runs into the thousands of dollars.
One exhibit last year was declared by
one well informed on the subject to
have been the finest ever placed on
display in the United States.
The implement people, as well as
any class of exhibitors seen at the fair,
have recognized and acted upon the
well defined duty which every farmer,
manufacturer, wholesaler, retailer and
live stock man in the state owes to
himself, to his community and to his
state in contributing his part to Okla-
homa's greatest advertising agent—the
state fair.

Church Directory

"EVERY BOY AND GIRL IN SUN-
DAY SCHOOL AND EVERYBODY
AT CHURCH."

Asbury Methodist Church.
Services, every Sunday morning at
11 o'clock and evening at 7:15.
Sunday school at 9:45, T. W. Robb-
son, superintendent.

BUSINESS PICKING UP WITH THE POLICE

There seems to be an increasing and growing interest in police court this week. Four men have been arrested and placed in safe keeping already this afternoon. If one were to judge from the size of the crowd that followed the police to the city hall one would suppose there was either a circus or a tragedy taking place. After the first arrest was made and the men put in the lock up, the officers had to use some strong threats to clear the hall-ways and sidewalk.

The arrest which seemed to have caused quite a sensation was the placing in custody of Hughey and Dan Rodgers. The trouble was apparently between them and policeman Goyne and Brady, and is said to have started in a Main street restaurant.

It is alleged that shortly after noon while Goyne was in Joe Foster's restaurant he was approached by Hughey Rodgers who asked him a question. Goyne replied he knew nothing of the matter; was struck by Rodgers. Goyne then started to arrest Rodgers and was resisted. Brady came to Goyne's rescue and Dan to his brother's.

The last two arrests was a plain drunk and a glorious drunk. The last being very full. He had brought his little daughter five or six years of age, to town to have her face treated for erysipelas, but got on a 'bender' and was placed in jail. The child will be sent to her mother at Lawrence while her father sobers up. It was quite a pitiable scene to see the little girl with a face swollen, red and inflamed, weeping in the arm of the chief of police while her father was whooping and calling to her in a drunken rage from his cell.

GIRL ALLEGED TO HAVE BEEN ON A WHIZ

GETS HER BROTHER-IN-LAW
LOCKED UP ON UNPLEASANT
CHARGE

Earl Durham, postmaster of Tyrola, was placed in jail here Sunday by Constable Driver of that place, on a charge of giving intoxicating liquor to a minor.

It is alleged that on one day last week, probably Friday or Saturday, that his sister-in-law, Emma Gunter, fourteen years of age, who lives two or three miles from Tyrola, came in town to get the mail. Durham's wife being gone and Emma having to wait a good while for the mail train to arrive before she could get the mail, prepared dinner for her brother-in-law, Mr. Durham. During the time she was in Tyrola that day she got "tipsy" and accused Durham of giving her the whiskey; so her father is having him to account for it before the courts.

Durham claims that he had some whiskey in his home and that if the girl drank any of it, it was without his knowledge; and the girl claims that he gave her the whiskey. Anyway, whether the girl was induced to drink or simply drank the whiskey on her own accord, there is trouble over it.

ADA ASPHALT PAYING PROPOSITION

Ada asphalt is now giving employment to about twenty-five men and the prospects are good for that number to be doubled in the near future. D. A. Herring says his pay roll has amounted to seven hundred dollars within the last two weeks. This of course is for mining and transporting the mineral to the cars.

Cars of Ada asphalt are being shipped to Dallas and other points in Texas as well as Oklahoma.

The company is adding more equipment and better machinery all the time, and the industry continues to grow. Why shouldn't it when it is conceded that Ada has the richest and finest deposit of paying asphalt in the state?

A Business Change

Noah Jones has sold his interest in the Ada Steam Laundry to J. W. Westbrook and has accepted a position with the Sherman Steam Wash-house. He will go to Sherman the first of September.

Mr. Westbrook has resigned the Deputy County Treasurership and Lee Eddleman is filling out the unexpired term, taking the oath of office on the 18th of this month.

MRS. CARRIER WOULD FLEE FROM THE COURT

Mrs. Carrier, whose six destitute
children were committed to the State
Institute for destitute at Pryor Creek
last Saturday, the commitment being
witheld a few days in order to see
if relatives would not come to her
rescue is frantic to keep her children.

Saturday night, rather Sunday
morning about 3 a. m. when all was
hushed and still in the city, she made
a desperate effort to flee from the
minions of the law, whom she be-
lieves are unsympathetic and heart-
less. She took her little brood and
stole away, hoping to make her way
to Francis, where she thought she
could obtain financial aid. Instead
of taking the Frisco road she took
up the Katy railroad and daybreak
found her with her six little ones at
the water tank three miles north of
town, worn and weary almost to
despair.

People living in that community,
hearing the cries of the children
went to investigate the trouble, and
learning the woman's true condition
and why she had attempted a flight
at night, notified the authorities in
town who brought her back to Ada.

Mrs. Carrier says what made her
determine to get away Saturday
night after the court had granted
her time to hear from her relatives,
is that she was informed Saturday
afternoon that the Court was going
to issue the commitment today, and
thereby to take the children away
today, which was doubtless a false
report; for the County Judge will al-
low her sufficient time to communi-
cate with her people and let them
come to her relief.

Jolly Birthday Party

On Saturday evening from 4 to 6
Mrs. C. C. Nash entertained at her
home on the East Side, the little
friends of her niece, Josephine Fran-
cis, of Oklahoma City.

The occasion was given in honor of
little Josephine's fifth birthday.

Twenty-three of her little friends
gathered at her Auntie's home to
make merry, and make merry they
did.

Romping and playing games of va-
rious kinds until her auntie called
time for refreshments, when they
were served with strawberry cream
and cake. After an exciting time in
a peanut hunt and the leaving on the
table, numerous dainty birthday
gifts, they all repaired home only re-
gretting that Josephine's birthday
didn't come weekly.

TIPS On Choosing a Bank

Before lining up with a bank you should investigate several points in connection with it. In the first place ascertain whether or not the bank is prospering and develop- ing along with the other lines of business of the community. If a bank's business isn't prospering something is wrong. In the second place are the officers and directors of the bank good, safe business men who deal squarely with the people? Watch out for a bank operated by tricksters or sharpers. In the third place do the directors really direct or are they merely figure heads? Look out for a bank whose directors know little or nothing about its business.

We want you to investigate this institution. We know its business is prospering and increasing right along. You know its officers and directors and we believe they are safe, honorable, business men. The directors of this bank say what shall and shall not be done. They pass upon the loans regularly and their instructions are carried out to the letter. This bank is what they make it—A Strong, Prospering, Conservative institution.

The First National Bank

A Genuine Pile Cure vs. Injurious Dope

E-RU-SA is the ONLY NON-NARCOTIC, NON-POISONOUS, and lawful pile cure. All scientific and medical authorities declare EVERY ingredient in E-RU-SA PILE REMEDY suitable for piles; same authorities condemn the INJURIOUS narcotic and other poisonous pile medicines, and Supreme Courts uphold these authorities. E-RU-SA CURES PILES OR \$50 PAID. ALL MODERN druggists of highest standing in Ada, Okla., sell E-RU-SA, viz: RAMSEY DRUG CO., GWIN MAYS CO., MAD-ON DRUG CO., ADA DRUG CO. and CRESCENT DRUG STORE.

Have You Supplied Yourself With a

Comfort Shoes?

My! You don't know what you are missing— why you can do away with "hot" feet by wearing these shoes—you would feel "big- ger" and happier than the "lucky candi- dates." Don't put this off any longer. "Come while they last.

Maniac Kills Self and One

San Francisco, Aug. 21.—Summoned from his cabin to quell a disturbance in the social hall of his ship, Captain E. B. Wood, of the steamer Buckman, bound for San Francisco from Seattle, was shot and instantly killed at sea off the Mendocino coast early this morning by Fred Thomas, an insane passenger. Immediately after the shooting Thomas made his way along the deck, brandishing his revolver, walked to the after rail and leaped into the ocean. Information concerning the shooting was received by wireless.

THOUSANDS BEING PAID

CHICKASAW INDIANS IN ADA

Hon. G. N. Wise, with staff, special disbursing agent of the commission of the five tribes, is in Ada engaged in the payment to the accessible Chickasaws, Choctaws and the negro freedmen of amounts due on account of the equalizing their allotments.

The amount which will probably result from this payment will be from seven to eight thousand dollars.

The payment will occur on the days of the 23d, 24th and 25th instants.

Mr. Wise with staff will deliver these payments from the City Hall.

While this payment, pro rata, will not amount to much, there will result in total a sum of consequence which will be of beneficial effect to both Indians and Freedmen.

While there is wide information that crop prospects of Pontotoc county excell those of most any place elsewhere, and there are no one near ways starving to death, near rounds, the receipt by those more needful of several thousand dollars must afford gratification to the community.

It is understood that those who fail to receive their allotted payment this week may receive same by writing to the commission at Muskogee.

Police Court

Only four hearings in police court this morning. Johnson Porter, an Indian, was arraigned for being drunk again. He entered a plea of guilty and remains in the city jail.

Eastman Johnson, another Indian, was charged with assault and carrying a weapon; entered a plea of guilty and awarded a fine of \$25 and costs.

Two white ordinary drunks plead guilty, paid their fines and were released.

The Great Feature Picture

At the Pastime tonight: "Ranch Life in the Great Southwest," is a Selig production and one of their greatest efforts. It portrays the champion cowboys in wonderful horsemanship, and roping, tying and bull-dogging steers, feats and efforts that are daring and amazing. No other picture along this line can be classed with it. It must be seen to be appreciated. It will be shown tonight only. All admissions 10 cents except children under 12 years, 5 cents.

M. E. CHURCH LAYMEN MEETING SATURDAY NIGHT

At a meeting of the Laymen of the First M. E. Church last Saturday night a committee was appointed to work out the details in securing the District parsonage for Ada and bringing Rev. S. F. Goddard and his family here.

Canadian River Still Rising

Elreno, Okla., Aug. 21.—The North Canadian river is still rising and is out of its banks in several places. Heavy rains in the northwestern part of the state is said to be the cause no rain to any extent having fallen in the vicinity. Considerable drift-wood is coming with the rise.

FALLS FROM BRIDGE AND IS INJURED

As we go to press it is learned that a Mr. Sinkers of East Fourteenth street fell off a bridge on the O. C. Railroad three miles from town and was badly injured. He was taken to his home—but how seriously his injuries are is not known at the present.

Mr. Joe Guest of the firm of Guest Bros., went to the Eastern markets of St. Louis and Chicago for the purpose of the fall business.

FUN AND FROLIC IS PART OF OKLAHOMA STATE FAIR

Midway, Vaudeville, Airship Flights, Riding, Boating and Good Music Will Make Things Merry. "Canals of Venice" Is New Feature.

A "Midway Carnival," vaudeville productions, airship flights, riding and boating devices and a band festival fairly generalizes the many and varied amusement attractions at the State Fair, to be held September 27 to October 9. All attractions are high class and the best that money can buy.

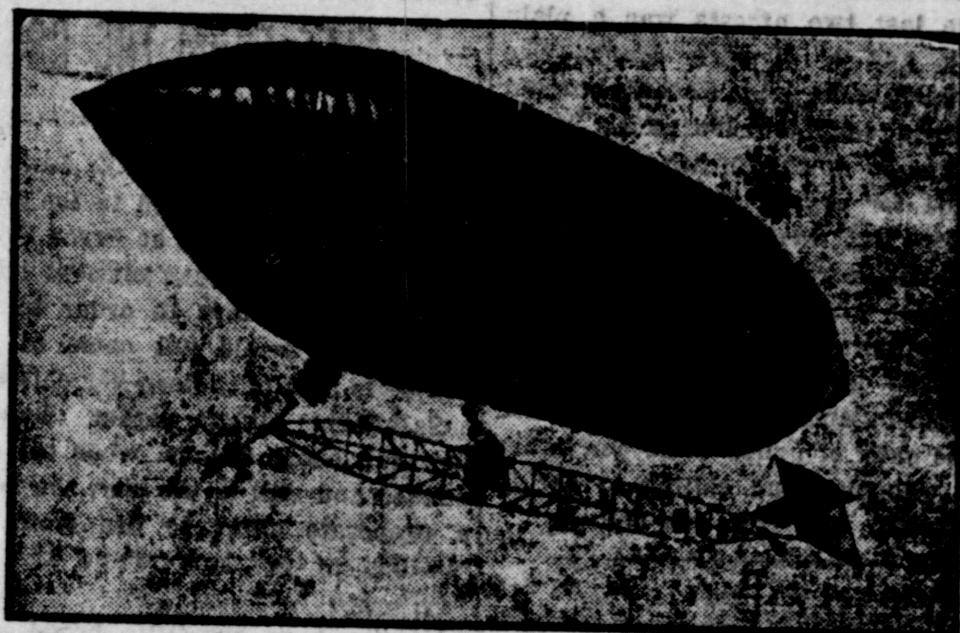

The Great Paterson Shows, comprising sixteen separate shows and two riding devices, will be seen in the Amusement Park. The special feature of these shows will be the trained animals, consisting of elephants, horses, lions, tigers and dogs.

The two riding devices will consist of a steeple chase and a giant Ferris wheel. Specially noteworthy of all the Patterson attractions will be two free acts daily. In one of these acts, elephants trained almost to the point of human intelligence will entertain the spectators. In another a man will descend a spiral tower sixty feet high.

Airship

Perhaps no amusement attraction on the ground will attract more attention than the daily flights of the Stroebel Airship. Few Oklahomans have seen a successful airship flight notwithstanding the fact that aviation has progressed by rapid stages in the last few years.

The Stroebel device is a dirigible airship, similar to those used in the Russo-Japanese war. Successful flights were made with this machine last year at the State Fair of Arkansas, the Tri-State Fair at Memphis, Tenn.; Spokane State Fair; International Exposition of San Antonio, Tex., and the Fair of Cambridge, N. Y. At several state expositions the Stroebel Airship has made four successful annual flights.

STROEBEL'S AIRSHIP

perched fearlessly upon a unicycle, resembling a bicycle cut in half.

The carnival people will furnish a high class band of sixteen pieces.

Boating

"Canals of Venice," operated with a plant costing \$12,000, is on the list of permanent attractions this year. The plant is under construction and will be complete by the opening of the fair.

Patrons will be furnished a boat ride on a winding canal which winds its way through beautiful scenery, representing places of interest in Venice, the beautiful Italian city.

In addition to all this there will be boating at the usual place on Fair Grounds Lake.

Figure Eight and Vaudeville

The Figure Eight and Carousels are too well known to require any special mention.

Dividing their time about equally between performances in the Live Stock Pavilion and in front of the Grand Stand will be several vaudeville troupes. The performances in the Live Stock Pavilion will be during the progress of the First Annual Horse Show at night.

Music

Ten of the best bands in the state will furnish plenty of good music.

Premium List

Premium list for 1910 will be sent on application to I. S. Mahan, secretary, Oklahoma City, Okla.

BIG HORSE SHOW IS NEW FEATURE FOR OKLAHOMA

Held October 3, 4, 5, 6 and 7 in New Live Stock Pavilion

Two reasons are back of the success expected from the First Annual Horse show held in connection with the State Fair at Oklahoma City this fall, which will be held from September 27 to October 9: First, the Oklahoma State Fair has grown with such strides in the four years of its life that it has long since abandoned swaddling clothes, and the live stock department, including horses, has come to be one of the most important features of the fair; second, the addition of the great live stock pavilion, now under construction and to be completed by the opening of the fair. The fine horse exhibit of past years has taken on the dignity and importance of a separate and well defined feature hereafter to be known as the Annual Horse Show.

The horse show will be held in the new pavilion at night, and will consist of about every event which exhibition horses may enter, interspersed with band concerts and vaudeville acts. Special classes will be arranged for Oklahoma horses and open classes for outside entries. A feature of the horse show of special interest and educational value will be furnished by the parades of the various breeds in the pavilion at the evening shows, and in front of the grand stand one day during the fair. The horse department will be superintended by W. L. English, of Oklahoma City, who enters upon his second year's work in this capacity. The prize list and rules of the horse show will be mailed upon application to the secretary. The State Fair Premium List can be had for the asking.

Aside from the regular premiums offered on the different breeds by the Fair association, a number of special prizes will be offered. The Percheron Society of America offers seven special prizes for winners among Percherons. The Percheron Registry company will give away seventeen gold and seventeen silver medals to winners of this breed. The American Hackney Horse society gives a silver medal for the best Hackney stallion or mare. The American Saddle Horse Breeders' association gives a \$100 trophy to the best stallion or mare, 3 years old or under, registered in the American Saddle Horse Register, limited to horses owned in Oklahoma. This premium is given to encourage breeding in the state.

There will not be an idle moment at the great horse show. When the arena is not filled with fancy horses of all classes the band will strike up a lively tune or the vaudeville artists will entertain the crowds.

Special Features

C. H. Clark, celebrated breeder and trainer of Colony, Kas., will be on hand with twenty-four head of Shetland ponies. These ponies will appear under saddle, single and pairs in harness; four, six and ten horse teams, chariot racing and high school acting. This troupe of educated ponies has been engaged by the American Royal Live Stock Show of Kansas City and will go there immediately after closing its engagement with the Oklahoma State Fair.

The famous Bedini family will present a quintuple vaulting equestrian act. Three people in this act make simultaneous leaps from the ground to the slender backs of thoroughbred running horses, utilizing five horses and one pony, and introduce the champion riding collic dog "Ulo." The exploits of the artists, accompanied in every movement by a marvelously intelligent and acrobatic dog, created a furore in Paris and Berlin, and are exciting to same admiring attention in America. The family is making its first American tour, has never been seen in any of the American circuses, and is not a circus act.

Morris & Company, packers, will exhibit their famous six-horse team again this year. Probably no six heavy draft horses in any one stable in the world have won as many blue ribbons as the six champion Clydesdales which make up Morris & Company's six-horse team. Individually and collectively the horses have 121 ribbons to their credit, including the championship of England, the championship of Scotland, the championship of Canada and the championship of the United States.

Schwarzchild & Sulzberger packers will exhibit a pure bred double team of draft horses to heavy truck wagon.
